Serial No. 2.

Proposals for increasing the strength of Hospl Asstes are being received piece meal from the Senior Surgeon. In view to meet the demands on the medical Deptt, the Senior Surgeon has suggested that a reserve strength of 20 p.c of the total nos of Hospl Asstes is necessary. This question has been referred to Branch II for opinion. If ~~two~~ giving effect to G.o directing the appointment of two Hospl Asstes as Vacancies can be deferred for a time, ~~for~~ orders on the Senior Surgeon's proposals for reserve strength of Hospl Asstes may be awaited & two Hospl Asstes from the present staff then deputed for duty in the Vaccine Deptt.

Wtd D no 9331-09.

It is for consideration whether the two Hospl Asstes to be appointed Vacancies may not be entertained temporarily in the Sanitary Deptt and taken on to the medical Deptt to form part of the reserve strength. ~~after the termination of their duty in the Vaccine Deptt~~ In this case there seems to be no necessity to increase the cadre of Hospl Asstes in the medical Deptt at present. As the offg Senior Surgeon's proposal involves ~~an~~ additional recurring expenditure, Branch II has to be consulted.
